Respondent)	

**RESPONDENT’S OPPOSITION TO PETITIONER’S MOTION FOR LEAVE OF COURT TO
AMEND PETITION**

Respondent, Travis Harris, hereby provides his objections to Petitioner’s Motion for Leave of Court to Amend its Petition.

I. Failure to Comply with 37 C.F.R. § 2.120(f). Petitioner filed its motion to compel contemporaneous with this motion for leave to amend its petition on the day of the close of discovery. Petitioner’s motion for leave to amend is barred as it is “not germane to the discovery dispute”. (37 C.F.R. § 2.120(f)).

II. *Frivolous Nature of Petition.* Notwithstanding Petitioner’s violation of 37 C.F.R. § 2.120(f), and the challenges of discovery during a pandemic, Respondent has produced documents proving that it has continuously used “Revival Electric” Reg. No. 3872704 (the “Registered Mark”), in the sales and marketing of its guitar pedals and its repair and modification services for pedals and guitar amplifiers.

Respondent has now produced documentation and responses establishing that Respondent has been using the mark in commerce to sell its guitar amplification pedals and services of pedals and

amplifiers, since July 9, 2009.¹ (See Decl. Ridless, at Ex. A, (Respondent's Document Production, Bates stamps 275-278 (evidence of sales from 2009, photographs of original pedals sold in July 2009; Bate Stamps 182-184 (2010-2019 sales spreadsheet); Bate Stamps 3-7, 11-17, 19-62, 64-77, 81-87, 89-103, 113-157, 159-166, & 168 (itemized payments for pedals from 2010-2019); Bates Stamps 279-91 (2020 pedal sales)).

Even during the brief period when Respondent was unable to obtain a key component for the manufacture of its pedals, due to a global shortage of the component, respondent was still using the mark to advertise its services and products. (See Declaration of Joshua A. Ridless, Respondent's Document Production, Bates Stamps 18, 63, 78, 88, 104, 158, 167, and 170 -181 (referencing Respondent's continued web hosting and domain renewal maintenance receipts from 2009-2020, and continued sales)). There is no evidence to suggest that any filing with the USPTO by Respondent was made under false pretenses or that Respondent ever ceased using the mark.

Petitioner's motivation for bringing this action is to protect itself from a trademark infringement action by Respondent for Petitioner's infringing use of "RevivalDrive" in the U.S. for its competing pedal. In addition to Petitioner's RevivalDrive product, and after the examining attorney denied registration for RevivalDrive, Petitioner began using RevivalTrem and just Revival in branding of products currently being sold in the U.S. (See Ridless Decl., at Ex. A, Respondent's Document Production, Bates Stamps 339-343 (sweetwater.com, reverb.com) In rejecting Petitioner's application for registration of "RevivalDrive", the USPTO's examining attorney has already declared Petitioner's infringing mark confusingly similar to Respondent's mark "Revival Electric", citing multiple pages of examples as to why

¹ Contrary to Petitioner's allegation, Respondent has never alleged it sold guitar amplifiers, but rather that it manufactured and sold pedals for guitar amplifiers, and serviced guitar amplifiers, all under its Mark. (See Declaration of Joshua A. Ridless (hereafter "Ridless Decl."), at Ex. A, Respondent's Document Production, Bates Stamps 351-352 (Respondent's TEAS application).

Petitioner's use of the mark REVIVALDRIVE would cause market confusion due to Respondent's prior use of its Registered Mark.² If Petitioner cannot prevail in this action, it will have to defend a trademark infringement action.

III. Conclusion. For the foregoing reasons, Respondent requests that this Board deny Petitioner's motion for leave to amend.

Date: August 15, 2020

/JAR/

Joshua A. Ridless
500 Washington Street, Suite 700
San Francisco, CA 94111-2939
Tel (415) 614-2600
Fax (415) 480-1398
Email: jr@ridlesslaw.com

² Petitioner is in fact selling its pedals under the infringing mark on the same platforms as Respondent.

Merchant: Revival Electric
Contact : Travis Harris VTID [REDACTED]

Your current credit card batch has 1 unsettled transactions.

IF YOUR ACCOUNT IS SETUP FOR AUTOMATIC SETTLEMENT, YOU MAY DISREGARD THIS NOTICE. However, the only transaction types that will automatically settle are Sale, Credit, and Prior Auth. Auth Only transactions will never be automatically settled. They must be converted to a PriorAuth in order to be settled.

IF YOU ARE USING A SAGE SOFTWARE PRODUCT THAT IS INTEGRATED TO THE SAGE GATEWAY, YOU MAY HAVE PROCESSED BOTH SALE AND AUTH ONLY TRANSACTIONS. THE TRANSACTIONS THAT ARE STILL LISTED AS AUTH ONLY SHOULD BE CONVERTED TO A PRIORAUTH DIRECTLY IN THE SAGE SOFTWARE ONLY, NOT IN THE VIRTUAL TERMINAL. PLEASE TO AVOID DOUBLE CHARGES TO YOUR CUSTOMERS, DO NOT CONVERT THE AUTH ONLY TRANSACTIONS IN THE VIRTUAL TERMINAL. IF YOU NEED ASSISTANCE WITH YOUR SAGE SOFTWARE PRODUCT, PLEASE CONTACT YOUR SAGE BUSINESS PARTNER OR SAGE SOFTWARE CUSTOMER SUPPORT DIRECTLY.

Please login to the Virtual Terminal and settle your current batch to ensure that your transactions do not expire or incur late settlement fees.

Transactions must be settled within three days of entry to qualify for the best rate and avoid downgrade fees.

You may settle your batch under Batch Management --> Settle Current Batch.

You may confirm your account is setup with automatic settlement in the Virtual Terminal under Configuration --> Account Configuration. If you would like to request automatic settlement, please send an email request from your Virtual Terminal under Help --> Technical Support so we may have your inquiry reviewed for approval. Thank you for using Sage Payment Solutions for your credit card processing.

For Assistance, Contact the Virtual Support Team at 1-877-470-4001

CERTIFICATION AND AGREEMENT

By signing below, the Merchant named: (1) certifies to Sage Payment Solutions that he/she is authorized to sign this Agreement; (2) certifies that all information and documents submitted in connection with this Application are true and complete; (3) authorizes Bank or its agent to verify any of the information given, including credit references, and to obtain credit reports (including a spouse if in a community property state); (4) has read, agreed to, and acknowledges receipt of the terms and conditions of the Merchant Processing Agreement, attached hereto and incorporated herein by reference. The terms and conditions and this Application constitute the entire integrated Merchant Processing Agreement by and between Merchant, Sage Payment Solutions and Bank; (5) agrees that Merchant and each transaction submitted to Bank will be bound by the Agreement in its entirety; and (6) agrees that Merchant will submit transactions to Bank only in accordance with the information in this Application and will immediately inform Sage Payment Solutions, in writing at the address above if any information in this Application changes. The Agreement will become effective only when signed by Bank and Sage Payment Solutions. Merchant further acknowledges that, as used in this paragraph, "Bank" means the banking institution indicated by appropriate mark in one of the check boxes located at the top of the first page of this document.

In WITNESS WHEREOF, the parties hereto have executed this Agreement as of this day

PERSONAL GUARANTY

In consideration of Bank and Sage Payment Solutions' acceptance of the Agreement, the undersigned Guarantor (jointly and severally if more than one) unconditionally guarantees the performance of all obligations of Merchant to Bank and Sage Payment Solutions under the Agreement, and payment of all sums due thereunder, and in the event of default, hereby waives notice of default and agrees to indemnify Bank and Sage Payment Solutions for all funds due from Merchant pursuant to the terms of the Agreement. This is a guaranty of payment and performance and not of collection, and in no case will Sage Payment Solutions be required to attempt collection from Company or pursue any other remedy or action before collection from Guarantor. Guarantor waives any and all rights of subrogation, reimbursement or indemnity derived from Merchant and all other rights and defenses available to Guarantor under applicable law, including California Civil Code Sections 2787 to 2856, inclusive (or any similar surety ship laws), and further waives any and all rights, defenses or notices arising by reason of any modification or change in the terms of the Agreement whatsoever, including, without limitation, the renewal, extension, acceleration, or other change in the time any payment or other performance thereunder is due, and / or any change in any interest or discount rate or fee thereunder. Guarantor confirms that Guarantor, collectively or individually, is an officer or shareholder to the Merchant and party to the Agreement, and unconditionally and specifically authorizes Bank, or its authorized agent, to debit any overdue fees, costs, chargebacks, fines, penalties, expenses or obligations under the Agreement and / or any contractual relationship with Bank or Sage Payment Solutions from any personal checking account or other account owned or controlled by Guarantor, and further to report any default hereunder on Guarantor's personal Credit Bureau Report. Guarantor agrees to pay all costs and expenses of whatever nature, including attorneys' fees and other legal expenses, incurred by or on behalf of Bank or Sage Payment Solutions in connection with the enforcement of this Guaranty. Guarantor further acknowledges that, as used in this paragraph, "Bank" means the banking institution indicated by appropriate mark in one of the check boxes located at the top of the first page of this document.

[REVIVAL ELECTRIC SYNAPSE GETS YOUR MIC THROUGH YOUR PEDALS THE
RIGHT WAY](#)

If you need the best way to get your mic through your pedals, or any other unbalanced effects, Revival Electric's Synapse is the way to go. Hand-built in the heart of San Francisco, The Synapse retains original signal integrity and gives you maximum quality through the entire path.

The Synapse features a Dynamic Mic Preamp, Active balanced XLR in and out, a 1/4" unbalanced send/return loop and controls to mix wet and dry, boost and the facility to control all of it with an expression pedal. Extremely low noise (< -100dBV Awtg) and a ground lift switch complete the package and give you a pro solution to integrate your vocal chain and existing pedals. Come in today for a demo, [or order online here](#).

Here's the Synapse in action with Death Cab For Cutie, who use one to bring the vocal effects sounds of Codes and Keys to their live set

This entry was posted in [Pedals/effects](#), [recording](#) and tagged [revival](#), [synapse](#), [pedals](#) on June 1, 2014 by Main Drag.

Additional Information

Note / Additional Info:

Hi Travis, best case scenario is to ship as a low value "gift."

If not possible then "returned goods" valued less than \$20 would be next best option. Thanks for your help, really excited!

Thank You,

TERMS AND CONDITIONS

Read Entire Contract Carefully

View the exhibitor manual online at www.namm.org

All Exhibitors and their representatives participating in the **NAMM Show** over the dates of **January 19-22, 2017** are required to comply with and abide by the terms and conditions ("Terms and Conditions") stated in this Exhibit Space Application/Contract ("Contract"), as well as the rules and regulations ("Rules and Regulations") and the Exhibitor Services Manual ("Exhibitor Services Manual") which are fully incorporated by reference herein, and can be accessed on-line at www.namm.org.

In consideration of the promises and the mutual covenants contained in this Contract and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Exhibitor agrees as follows:

DEFINED TERMS: The term "Event" means the **2017 NAMM Show**, currently scheduled to be held **January 19-22, 2017** (the "Event Dates") at the **Anaheim Convention Center, Anaheim, CA**. The Event is owned, produced, sponsored and managed by the National Association of Music Merchants, Inc. (d.b.a. NAMM), located at 5790 Armada Drive, Carlsbad, CA 92008. The term "NAMM" means NAMM, and its officers, directors, employees, agents, affiliates, representatives, successors and assigns, unless the context requires otherwise. "Exhibitor" means, severally and jointly, (i) the company/s that applied for and/or was granted exhibit space, individually or shared, ("Exhibit Space") at the Event and agreed to enter into this Contract upon acceptance by NAMM in the manner stated below and (ii) each of its officers, directors, shareholders, employees, contractors, agents, representatives and/or invitees, as applicable. NAMM and Exhibitor are collectively referred to in this Contract as the "Parties" and "Party" in the singular. The term "Exhibition Facility" or "Exhibition Facilities" means the exhibition/convention venue/s where the Event will be held, including but not limited to the **Anaheim Convention Center** and any other venues used for the Event.

RULES AND REGULATIONS/EXHIBITOR SERVICES MANUAL: Please read the **NAMM Show- Event Rules and Regulations** (the "Rules and Regulations"), the rules and regulations of the Exhibition Facility and the Exhibitor Services Manual posted on-line at www.namm.org, which set forth important terms, including but not limited to, the use of the Exhibit Space, Exhibitor's conduct, particularly sound control regulations, liability provisions, use of Intellectual Property, a covenant not to sue NAMM, an agreement to indemnify NAMM, and other rules and regulations related to the Exhibit Space and the Event. In addition to the Rules and Regulations posted on-line at www.namm.org, the Exhibitor Services Manual includes additional information integral to participation at the Event, including but not limited to: official contractor order forms, registration, shipping delivery and storage of shipments, freight handling (drayage), utilities, electrical and building services/regulations, exhibitor display rules, installation/dismantle Exhibit Space labor to be supplied by NAMM's official contractors; and move-in/move-out schedule, official Event schedule and hours of operation, rental of furniture, additional services and other Event information necessary to aid Exhibitors.

QUALIFICATIONS OF EXHIBITOR: All Exhibitors must be current Commercial, Affiliate Commercial, or Service Provider Members of NAMM as of the date this Exhibit Space Application/Contract is submitted for consideration and throughout the Event Dates. * Certain exceptions to these qualifications may be made by the Association in its sole and absolute discretion. Exhibitor agrees to be bound by NAMM's bylaws.

NAMM, in its sole discretion, will determine whether a prospective Exhibitor is eligible to participate in the Event. Eligibility is generally limited to companies, firms or entities actively and legitimately engaged in the business of manufacturing, distributing or selling at wholesale merchandise, materials, services or supplies in the music products industry. Members and/or Exhibitors whose products or services involve used musical products (as opposed to the restoration of musical products to the value of similar new products) or entail the mere refurbishment of used products are not eligible to exhibit in the Event. Dues for Commercial and Affiliate Commercial Members are \$225 annually. Service Provider Member dues are \$600 annually.

Upon Exhibitor's submission of this Exhibit Space Application/Contract and the requisite Exhibit Space Cost deposit for Exhibit Space to NAMM, Exhibitor may not withdraw or cancel this Exhibit Space Application/Contract or reduce the amount of exhibit Space requested herein. Offers made by NAMM as to location of Exhibit Space are based on current policy and not a location guarantee. The actual amount and location of the Exhibit Space assigned to Exhibitor will be determined by NAMM, at its sole and absolute discretion, based on information provided in this Contract and applying the Exhibit Space Assignment procedures described in this Contract and on NAMM's Web site. If Exhibitor objects to the assigned Exhibit Space, Exhibitor must contact NAMM's authorized representative within 15 days of the date of NAMM's acceptance of this Contract via confirmation letter. Upon such notification NAMM will attempt, in good faith, to resolve Exhibitor's objection. However, this Exhibit Space Contract will be effective on the date of acceptance by NAMM via confirmation letter, any objection to Exhibit Space assignment notwithstanding.

CONTRACT ACCEPTANCE/EFFECTIVE DATE OF CONTRACT: NAMM intends to assign Exhibit Space in the manner most conducive to the essential purposes of the Event: to further the dissemination of information and ideas between buyers and sellers; to promote the music industry as a whole; to stimulate growth, fair and honest competition and excitement in the music industry; and to foster and encourage communication and a collegial attitude among Members. This Exhibit Space Application/Contract will be deemed an application for Exhibit Space until it is expressly accepted by NAMM as stated herein. NAMM's depositing of Exhibitor's Exhibit Space Application/Contract Cost deposit payment does not constitute acceptance of this Contract or guarantee a right to exhibit in the Event. NAMM reserves the right to reject any and all proposed Exhibit Space Application/Contract for any reason or for no reason. This Contract will only become binding and effective when (i) Exhibitor has signed this Exhibit Space Application/Contract, (ii) all Exhibit Space Cost payments are made as required herein, and (iii) NAMM's duly authorized representative expressly accepts this Exhibit Space Application/Contract on behalf of NAMM by sending to Exhibitor an official confirmation letter by email, fax or mail. The effective date of acceptance shall be the date of such official confirmation letter. Upon NAMM's acceptance of this Contract Exhibitor will be responsible for full payment of all Exhibit Space Costs for the assigned Exhibit Space, subject to the provisions of the Rules and Regulations regarding Exhibit Space reductions, downsizing and/or cancellation. If acceptance is not granted by NAMM your Exhibit Space Application/Contract Cost deposit payment will be returned in full.

Upon effectiveness, Exhibitor agrees to use the assigned Exhibit Space in accordance with the Rules and Regulations and to pay all required Exhibit Space Costs by the deadlines specified herein. Further, NAMM reserves the right, at its sole discretion, to add, alter, downsize, delete or modify (i) Exhibitor's Exhibit

Space, (ii) Event's exhibition space floor plan at any time, and/or (iii) to move an Exhibitor to another Exhibit Space location prior to or during the Event, without prior notice.

PRODUCTS & SERVICES DISPLAYED: All Companies who manufacture musical instruments/products which are being exhibited/displayed at the **NAMM Show** (whether displayed/exhibited by themselves or by their distributors, agents or contracted representatives) must be current Members of NAMM. Exhibitors may display or exhibit only products and services comprised of materials, equipment, technology, apparatus, systems and other component products or services relevant to the music and music products industry/s or field/s or as otherwise permitted at NAMM's sole discretion. Products displayed by Exhibitors shall promote the Event's purpose and shall not be in violation of any applicable law, including Lacey Act, offensive to or disparaging of Event attendees, other Exhibitors or Members or their products.

NAMM reserves the right to require an Exhibitor to submit, with the Exhibit Space Application/Contract, a comprehensive description of the nature of its business and/or photographs, samples or drawings of the product(s) or services Exhibitor intends to exhibit, display, advertise or promote at the Event. NAMM may, at its sole discretion, prohibit an Exhibitor from exhibiting/displaying any products or services that are not consistent with the purposes set forth in this Contract. NAMM reserves the right of final approval as to which publications Exhibitors are allowed to display or distribute within their Exhibit Space. NAMM reserves the right to require immediate removal of an Exhibit or its contents, if such products or services materially vary from the description, photographs, samples or drawings submitted by Exhibitor. Further, misrepresentation of Exhibit Space eligibility is grounds for revocation of NAMM membership and Exhibitor's right to participate in the Event without notice or hearing.

EXHIBIT SPACE COST AND PAYMENT: Space rental **\$31.95- per sq. ft.** Standard booth size is 10 feet x 10 feet (3.05m x 3.05m). Exhibitor shall pay NAMM the Exhibit Space Cost as set forth in the Exhibit Space Application/Contract for the Exhibit Space licensed under this Exhibit Space Application/Contract **November 2, 2016**.

Exhibitor Payment. Exhibitor agrees to pay the Exhibit Space Cost and any applicable Membership dues as required herein upon submission of the Exhibit Space Application/Contract to NAMM by means of cash, money order, company check, cashier's check, certified check (U.S. funds drawn on a U.S. bank), wire transfer, VISA, MasterCard or American Express. Exhibit Space Costs not paid by the due date set forth below are subject to a 2% per month service charge and/or cancellation by NAMM.

Initial payment: All Exhibit Space Applications/Contracts submitted to NAMM for consideration must be accompanied by the deposit amount determined by their selected payment option. No exhibit Space Application/Contract will be considered or accepted without an initial deposit payment. For inclusion in the priority booth assignment, all payments up to 50 percent of the total exhibit space cost must be received by the July 22, 2016 deadline.

Final payment: Any outstanding balance due must be received on or before **November 2, 2016**. (If balance is not received by this date, Exhibitor will be considered in material breach of this Contract and no return of Exhibit Space Cost will be made.) All Contracts submitted to NAMM for consideration after **November 2, 2016** must be accompanied with a one hundred percent (100%) payment of total Exhibit Space Cost. ANY CONTRACT SUBMITTED WITHIN 30 DAYS OF

TERMS AND CONDITIONS (continued)

THE EVENT MUST BE SUBMITTED WITH FULL PAYMENT BY CREDIT CARD OR BANK WIRE TRANSFER. No checks will be accepted.

EXHIBIT SPACE CANCELLATION FEES: Cancellation Fees will apply as follows:

A. If notification of cancellation of Exhibit Space is received before **July 22, 2016**; Exhibitor will be refunded all payments minus a cancellation fee equal to twenty-five percent (25%) of the total Exhibit Space Cost.

B. If notification of cancellation of all Exhibit Space is received between **July 22, 2016** through **November 2, 2016**; Exhibitor will be refunded all payments minus a cancellation fee equal to fifty percent (50%) of the total Exhibit Space Cost.

C. If notification of cancellation of Exhibit Space is received on or after **November 2, 2016**, no refund will be made and Exhibitor will be liable for one hundred percent (100%) of the Exhibit Space Cost, even if such Exhibit Space is resold.

Any Exhibit Space Cost not paid in full by **November 2, 2016**, may be cancelled by NAMM upon written notice to Exhibitor. In such event, NAMM will retain any Exhibit Space Cost payments received to that date from Exhibitor, and Exhibitor will remain responsible for the payment of the full Exhibit Space Cost for the assigned Exhibit Space. NAMM may license such cancelled space to another Exhibitor at its own discretion. NAMM reserves the right, at its sole discretion, to apply any or all payments made for the Event to any outstanding payments due to NAMM. No refund will be made until 15 days after the last day of the Event.

Because the payment due dates are related to the Event Date and not to the execution date of this Contract, these payment due dates will apply regardless of the date on which this Contract is executed. Exhibitor must provide written notification of cancellation of Exhibit Space to NAMM. Exhibitor agrees that should it cancel all of its Exhibit Space for any reason, the Cancellation Fees as stated in this schedule shall be retained by or paid to NAMM as reasonable liquidated damages for the injuries NAMM will suffer as a result of Exhibitor's cancellation, and not as a penalty. Exhibitor understands and agrees that the withdrawal of the Exhibit Space reserved from availability at a time when other parties would be interested in applying for Exhibit Space will cause NAMM to sustain damages. In this situation, NAMM's damages will be substantial, but they will not be capable of determination with mathematical precision. Therefore, the provisions for liquidated and agreed upon damages have been incorporated into this Agreement as a valid pre-estimate of these damages. The date of cancellation shall be the date NAMM receives the notice. NAMM assumes no responsibility for having included the name of the cancelled Exhibitor or description of its products or services in the Show Directory, brochures, news releases or other material relating to the Event. The use of exhibit personnel badges is forfeited immediately upon cancellation of Exhibit Space.

DOWNSIZING/REDUCTION OF EXHIBIT SPACE: NAMM reserves the right to treat Exhibitor's downsizing of Exhibit Space as a cancellation of the original Contract and an offer to purchase new Exhibit Space. Exhibitor may be required to move to a new location if it requests a downsizing of space. Exhibitor agrees that it is responsible for the total Exhibit Space Cost fee for the originally contracted and assigned Exhibit Space, which shall be retained or paid to NAMM as reasonable liquidated damages, and not as a penalty, for downsizing Exhibit Space.

PLACEMENT/ASSIGNMENT OF EXHIBIT SPACE POLICY: In order to facilitate the exchange of product information for the benefit of Members, and to foster

show access for new products and manufacturers, NAMM has promulgated the following Exhibit Space assignment policy (which NAMM, at its sole option, may amend, modify, alter, cancel or repeal).

A. The initial assignment of Exhibit Space will be made from the Exhibit Space Application/Contracts received on or before **July 22, 2016**, and accompanied by deposits of 50% of total Exhibit Space Cost.

The initial assignment of Exhibit Space will be based on, but not limited to consideration of the following factors:

- Date of receipt of Exhibit Space Application/Contract and the requisite deposit
- History of NAMM Show participation
- Primary product category
- Amount of square footage applied for
- History of prompt Exhibit Space Cost payment
- Previous compliance with NAMM's Exhibit and Trade Show Rules and Regulations and all other rules, regulations and policies pertaining to NAMM Members

NAMM, in its sole discretion, may also take into account the history of previous NAMM Show participation by (i) an affiliate of the applying Exhibitor, (ii) a previous Exhibitor whose assets have been acquired by an applying Exhibitor, or (iii) an applying Exhibitor with a history of sharing Exhibit Space. Such factors will be given consideration along with the demand for the desired Exhibit Space, the needs and purposes of the Event, and other factors. This additional deliberation will not necessarily result in assignment of Exhibit Space.

B. Assignment of Exhibit Space, for Exhibit Space Application/Contracts and Exhibit Space Cost payments received after **July 22, 2016** will be made on a first-come, first-served basis in accordance with the factors previously stated herein.

C. NAMM believes that it can best serve the needs and interests of its Members and Exhibitors by retaining the ability to adapt to an ever-changing music industry. Changes in show sites, convention hall configurations, or industry product mix, as well as the emergence of new products or manufacturers, render impractical any rigid formula for space allocation. NAMM retains the flexibility to act at its discretion with regard to changing circumstances.

SUB-LETTING: No sub-letting or sharing of Exhibit Space will be permitted without the prior written consent of NAMM. All Exhibitors wishing to share Exhibit Space with the principal Exhibitor must be current Members of NAMM, complete the SHARED EXHIBIT SPACE Application/Contract and pay the required Share Exhibit Space Fees upon submission of their Shared Exhibit Space Application/Contract.

TERMINATION: NAMM reserves the right to immediately terminate this Contract and withhold from Exhibitor possession of the Exhibit Space, if Exhibitor (i) fails to pay all Exhibit Space Cost in accordance with the schedule set forth herein, or (ii) fails to perform any material Terms and Conditions of this Contract, or (iii) refuses to abide by NAMM's or the Exhibition Facility's respective Rules and Regulations. In such event, Exhibitor will be responsible for payment of the total Exhibit Space Cost, (which shall be retained by or paid to NAMM) as reasonable liquidated damages and not as a penalty. Further, NAMM reserves the right to refuse Exhibitor permission to move in and set up an Exhibit if Exhibitor is in arrears of any payment due to NAMM. Additionally, such actions will jeopardize Exhibitor's ability to exhibit at future NAMM Shows. NAMM is expressly authorized (but has no obligation) to occupy or dispose of any Exhibit Space vacated or made available by reason of action taken under this Section

in such manner as it may deem best, and without releasing Exhibitor from any liability hereunder. Notwithstanding anything herein to the contrary, NAMM reserves the right, at its option, to terminate this Contract without cause (for any or no reason) at any time, without liability or further obligation to Exhibitor upon the return of the Exhibit Space Cost to Exhibitor.

FORCE MAJEURE: If the Event is terminated for any reason beyond the reasonable control of NAMM, including without limitation acts of God, war, strikes, labor disputes, accidents, governmental laws, ordinances, regulations, requisitions or restrictions, unavailability of facilities, lack of utilities, commodities or supplies, inability to secure sufficient labor, civil disturbance, terrorism or threats of terrorism, disruption to transportation, disaster, fire, earthquakes, severe weather conditions, epidemic or pandemic, or any other comparable calamity, casualty or condition, and NAMM is unable to fulfill its obligations under this Contract, NAMM may terminate this Contract without liability, and NAMM may retain the earned portion of the Exhibit Space Cost required to recompense it for expenses and commitments incurred up to the time of terminating the Event. Any remaining unearned Exhibit Space Cost will be returned to Exhibitor. Additionally, if any part of the Exhibition Facility is damaged or if circumstances beyond NAMM's reasonable control make it impossible or impractical for NAMM to permit an Exhibitor to occupy or continue to occupy its assigned Exhibit Space location during any part of or the entire Event, Exhibitor will only be charged a pro rata Exhibit Space Cost for the period that the Exhibit Space was or could have been occupied by Exhibitor, minus a share of costs, expenses and commitments required to recompense NAMM up to the time of terminating the Event, in full satisfaction of all liabilities of NAMM to Exhibitor. NAMM shall retain all other fees previously paid by Exhibitor. In no event will NAMM or the Exhibition Facility, and their respective owners, directors, officers, employees, agents, or representatives be liable for any consequential, indirect, or incidental damages of any nature or for any reason whatsoever. Nor will any interruption, diminution, delay or discontinuance be deemed an eviction or disturbance of Exhibitor's use of possession of Exhibit Space or any part thereof; nor shall any such interruption, diminution, delay or discontinuance relieve Exhibitor from full performance of Exhibitor's obligations under this Contract, unless otherwise agreed to in writing by NAMM's authorized representative.

Notwithstanding the foregoing, NAMM reserves the right to cancel, re-name or re-locate the Event or change the dates on which it is held. If NAMM changes the name of the Event, re-locates the Event to another Exhibition Facility within the same city, or changes the dates for the Event to dates that are not more than 30 days earlier or 30 days later than the dates on which the Event originally was scheduled to be held, no refund will be due to Exhibitor, but NAMM shall assign to Exhibitor, in lieu of the original Exhibit Space, such other Exhibit Space as NAMM deems appropriate and Exhibitor agrees to use such space under the terms of this Contract. If NAMM elects to cancel the Event other than for a reason previously described in this paragraph, NAMM shall refund to Exhibitor the Exhibit Space Cost previously paid, in full satisfaction of all liabilities and obligations of NAMM to Exhibitor.

INDEMNIFICATION: Exhibitor will indemnify, defend (with legal counsel satisfactory to NAMM), and hold harmless NAMM, the Exhibition Facility, and City of Anaheim and their respective owners, directors, officers, members, employees, agents and representatives, against all claims, actions, demands, damages or liability of whatsoever kind and nature,

TERMS AND CONDITIONS (continued)

including but not limited to judgments, interest, reasonable attorneys' fees, expert witness fees, and all other costs and charges in connection with, related to or arising out of Exhibitor's noncompliance with or breach of this Contract, the Rules and Regulations or the terms and conditions set forth in the Exhibitor Services Manual, claims of property or personal injury caused by or attributed in part or in whole to any action or failure to act whether by negligence or otherwise on the part of Exhibitor or any of its directors, officers, employees, agents, representatives, guests or invitees, excluding liability caused by the sole negligence or willful misconduct of NAMM or its owners, directors, officers, employees, representatives and agents.

INSURANCE: As a condition for Exhibitor's right to exhibit at the Exhibit, Exhibitor, at its own expense, is required to secure and maintain insurance as set forth herein throughout the duration of the Event, including move-in, Event days and move-out days. All such insurance shall be primary over any other valid and collectible insurance of Exhibitor and shall be written on an occurrence basis. Claims-made policies are not acceptable and do not constitute compliance with Exhibitor's obligations under this Section.

The following insurance coverage is required: (a) Worker's Compensation Insurance to the statutory limits; (b) Employer's Liability Insurance with limits not less than \$1,000,000 each accident; (c) Commercial General Liability Insurance with limits not less than \$1,000,000 each occurrence aggregate any one occurrence, \$2,000,000 coverage shall include contractual, copyright infringement, operation of mobile equipment, products and liquor liability (if applicable); (d) Automobile Liability Insurance coverage for owned, non-owned and hired vehicles, including loading and unloading operations with minimum limits of \$1,000,000 per occurrence for \$1,000,000 combined single limit. (e) Above required policies must name as "Additional Insured": NAMM, the Exhibition Facility and the City of Anaheim and their respective members, officers, directors, agents, representatives and employees; and (f) Purchase insurance coverage in an amount sufficient to protect Exhibitor and Exhibitor's property, goods, wares, merchandise, chattels and any other property (i.e., transit from factory or warehouse to the Exhibition Hall while stored or exhibited, and returned to Exhibitor's premises) against loss, damage, theft or injury of any nature, and any claims arising from any activities conducted through the duration of the Event, including move-in, Show days and move-out days; (g) Exhibitors agree to maintain such insurance that will fully protect, indemnify, hold harmless and defend NAMM, the Exhibition Facility, and the City of Anaheim and their respective members, officers, directors, agents, representatives and employees from any and all claims of any nature whatsoever, including attorney's fees, which may arise due to the actions, omissions, errors or negligence of Exhibitor or its employees or members, contractors, subcontractors, agents or representatives, including claims under the Worker's Compensation Act, and for personal injury, including death which may arise in connection with installation, operation or dismantling of Exhibitor's exhibit/display. Exhibitor agrees to waive any and all subrogation claims against NAMM, the Exhibition Facilities and the City of Anaheim.

All insurance must be provided by an insurance company with a Best's Rating of A, XII or better, which is legally authorized to transact business in the State of California. Exhibitor shall provide NAMM or its authorized representative with a Certificate of Insurance (and complete copies of policies requested) and Additional Insured Endorsement documentation not less than 30 days prior to the first move-in day for the Event, evidencing the insurance required is in force, stating policy numbers, dates of expiration, and

limits of liability thereunder. Policies shall provide for a thirty (30) day notice of cancellation or material change in favor of any certificate holder. Failure to provide the satisfactory Certificate of Insurance and additional insured endorsement as stated herein will result in the cancellation of this Contract, loss of Exhibitor's Booth Space and forfeiture of all payments. In the event Exhibitor does not provide NAMM with proof of required insurance coverage as stated herein, Licensors may (but shall have no obligation to do so) procure the required coverage at Licensee's expense, and Licensee shall reimburse to Licensors the cost thereof prior to being granted the right to move in to the facility. Nothing herein contained shall be construed as limiting in any way the extent to which Exhibitor may be held responsible for damages to persons or property resulting from Exhibitor's or its representatives or agents' participation in the Event, use and occupancy of the Facility, or Exhibitor's obligation herein.

INTELLECTUAL PROPERTY, MUSIC LICENSING AND USE OF COPYRIGHTED WORKS: By executing this Contract, Exhibitor represents and warrants to NAMM that Exhibitor owns or validly possesses the right to make, use, perform, sell and display any patented products, copyrighted works, trademarks, service marks and trade names (collectively, "Intellectual Property"), as the case may be, by Exhibitor at or to promote its activities at the Event and all affiliated events, including but not limited to in the show directory. Exhibitor will be responsible for securing any and all necessary licenses or consents for (a) any performances, displays or other uses of copyrighted works, trademarks or patented inventions or designs and (b) any use of any name, likeness, signature, voice or other impression, or other intellectual property owned by others. Exhibitor or its agent(s) agree not to allow any musical work protected by copyright to be staged, produced, or otherwise performed, via either "live" or mechanical means, by or on behalf of Exhibitor at Event or any Event-related activity, unless Exhibitor or agent(s) has previously obtained written permission from the copyright owner or the copyright owner's designee (e.g., ASCAP, BMI, or SESAC) for this use. Exhibitor accepts full and complete responsibility for the performance of all obligations under any agreement permitting the use of the music, including but not limited to all obligations to report data and to pay royalty fees.

Exhibitors agree not to sue NAMM for contributory infringement or any other theory that NAMM is indirectly or secondarily liable for the intellectual property violation of another party, or threaten to do so. Exhibitor understands and agrees that NAMM is relying upon the above representation and warranty and has no obligation to monitor or stop the uses and displays of Intellectual Property at the Event, affiliated events or in the show directory, or to conduct an independent investigation of the status of rights to any Intellectual Property or allegedly infringing Intellectual Property. Notwithstanding anything to the contrary, Exhibitor covenants not to sue, file or maintain or threaten any action in law or in equity against NAMM, the Exhibition Facility or the City of Anaheim or their respective owners, directors, officers, employees, representatives and agents alleging that any use or display by any third party of Intellectual Property at or in connection with the Event, including but not limited to in the show directory, infringes or otherwise violates any right or title held by Exhibitor or any of its owners, directors, officers, employees, representatives and agents.

Exhibitor agrees to indemnify, defend and hold harmless NAMM, the City of Anaheim and the Exhibition Facility and their respective directors, officers, employees, agents, and representatives from and against any claim of liability and any incident or resulting loss, cost or damage, including but not

limited to, reasonable attorney and expert witness fees, and all other associated costs of lawsuits, and remedies concerning the show directory, for failure or alleged failure to obtain these licenses or consents or for infringements of Intellectual Property, including without limitation copyright, patent, or the unauthorized use of a registered trademark or service mark or other violations of the property or proprietary rights, or the rights of privacy or publicity of any third party arising from, related to or in connection with the Event, including but not limited to in the show directory.

ASSIGNMENT: Exhibitor cannot sell, assign, transfer, nor convey this Contract or assign, share, sublet or permit its Exhibit Space or Shared Exhibit Space, or any part thereof, to be used by another, or allow any use of the Exhibit Space other than that specified in the accepted Contract and/or the Shared Exhibit Space Contract, without the prior written approval of NAMM. Any attempted sale, sharing, subletting, assignment, transfer, conveyance of the Exhibit Space, or any part thereof in violation of this Section will be voidable at the option of NAMM, entitling NAMM to terminate this Contract and making Exhibitor liable for all damages incurred by NAMM. This Contract, the terms and conditions and the Rules and Regulations will be binding upon and inure to the benefit of the NAMM approved successors, assigns, and personal representatives of the Exhibitor.

DISPUTE RESOLUTION: This Contract, in all respects, shall be governed and interpreted in accordance with the laws of the State of California USA to the exclusion of the courts of any other state, territory or country. Exhibitor and NAMM agree that all disputes or actions arising under, in connection with or related to any provision of this Contract shall be maintained only in a court of competent jurisdiction in San Diego County, California to the exclusion of all others. In connection with any litigation, the prevailing party will be entitled to recover reasonable attorney's fees and costs.

DAMAGE TO PROPERTY: Exhibitor is liable for any damage or loss caused to the Exhibition Facility or booth equipment, its own property or to the property of others. In the event damage or loss occurs to an Exhibitor's display/exhibit by another exhibitor, the involved parties are responsible for resolving the dispute.

LIMITATION OF LIABILITY: Exhibitor expressly assumes all responsibility, liability and risk associated with, resulting from or arising in connection with Exhibitor's participation or presence at the event, including, without limitation, all risks of theft, harm, loss, damage or injury to or of any person (including death), its own property or the property of others, business or profits of Exhibitor, tortious activity of any kind (including libel, slander or injuries caused by sound levels in or around Exhibitor's exhibit) whether caused by negligence, intentional act, accident, acts of God or otherwise through the duration of the event.

Exhibitor agrees that to the maximum extent permitted by law, NAMM, the exhibition facilities, the City of Anaheim and their respective officers, agents, employees or representatives will not be held liable for any loss or damage to exhibits, or materials, goods and wares (collectively "property") belonging to Exhibitor and they are released from liability for any damage, loss or injury to person or property of Exhibitor or its officers, employees, agents, representatives, invitees and guests, resulting from fire, storms, water, acts of God, air conditioning or heating failure, theft, mysterious disappearance, bomb threats or any other casualty, calamity or causes whatsoever.

In no event will NAMM, or the exhibition facility, the City of Anaheim or their respective owners, directors, officers, employees, agents and representatives be

TERMS AND CONDITIONS (continued)

liable for any consequential, indirect, special, punitive or incidental damages of any nature or for any reason whatsoever whether or not apprised of the possibility of any such lost profits or damages. NAMM's maximum liability under any circumstance whatsoever will not exceed the amount actually paid to NAMM by exhibitor for exhibit space cost pursuant to this contract. NAMM makes no representations or warranties, express or implied, regarding the number of persons who will attend the event or regarding any other matters.

EXHIBITION AND EVENT PROVISIONS/

REQUIREMENTS: Exhibitor must abide by, adhere to and be bound by: (a) all applicable federal, state and local laws, codes, ordinances, rules and regulations, including fire, utility and building codes and regulations; (b) any rules or regulations of the Exhibition Facility, including any union labor work rules; (c) the terms of all leases and agreements between NAMM and the managers or owners of the Exhibition Facility/s; (d) the terms of any and all leases and agreements between NAMM and any other party relating to the Event; (e) all Exhibit Space specifications and requirements and the Rules and Regulations as stated in the Exhibitor Services Manual; and (f) Exhibitor and its affiliates explicitly consent to receive fax, telephone, email, and other communications from NAMM and its partners under 47 U.S.C. Code 227 and any other applicable regulations.

TAXES, PERMITS AND LICENSES: Exhibitor will be solely responsible for obtaining any licenses, permits, tax identification numbers or approvals required under applicable federal, state or local laws related to any of Exhibitor's activities at the Event. Exhibitor will be responsible for paying all taxes, license fees, use fees, royalties or other fees, charges, levies or penalties that become due to any governmental authority in connection with its activities at the Event. Exhibitor will not permit the delivery of merchandise at the Exhibition Facility without the express permission of NAMM.

ADA COMPLIANCE: Exhibitor shall have the sole responsibility for ensuring that its Exhibit Space is in full compliance with the Americans with Disabilities Act (ADA) and any regulations under that Act. Exhibitor will ensure the accessibility of its Exhibit Space, and agrees to hold harmless, defend and indemnify NAMM and its directors, officers, employees, agents and representatives against any claims, damages, loss or exposure, including reasonable attorney's fees and costs, arising out of or related to any ADA violation or alleged ADA violation.

NAMM ANTITRUST POLICY AND GUIDELINES: The NAMM Antitrust Policy and Guidelines are applicable to all NAMM activities and programs, including without limitation, the Event. All Members and Exhibitors and their personnel participating in the Event and/or any other NAMM-sponsored activities and programs are required to read and follow the NAMM Antitrust Policy and Guidelines. All participation in any NAMM's-sponsored activity must be conducted strictly in accordance with U.S. federal and state antitrust laws and foreign antitrust laws. The NAMM Antitrust Policy and Guidelines are posted on NAMM's Web site, www.namm.org. It is Exhibitor's responsibility to familiarize itself and its personnel with the NAMM Antitrust Policy and Guidelines (which is not a complete or definitive statement on antitrust law) and the basics of antitrust law. Any specific questions related to antitrust compliance not addressed in this Policy should be forwarded to NAMM's counsel or to your company's legal counsel.

INTEREST & COLLECTION FEES: Exhibitor agrees to pay interest at a rate of 2% per month, on all past due balances to NAMM. Additionally, Exhibitor agrees to pay any collection costs, including without limitation court costs, collection fees, and reasonable attorneys'

fees incurred by NAMM in enforcing the Contract or the Rules and Regulations.

RIGHTS OF OFFSET: NAMM reserves the right, in its sole discretion, to apply any or all payments made for the Event to any or all outstanding payments due to NAMM. This applies to Exhibit Space Costs, Membership fees, and/or any other product or services offered by NAMM.

NAMM DECISIONS: Any and all matters, compliance issues or questions not specifically covered or addressed in this Contract as stated herein, or the Rules & Regulations or other provisions of the Exhibitor Services Manual, will be subject solely to the decision and determination of NAMM. NAMM reserves the right to make changes, amendments and additions to the terms and conditions of this Contract, the Rules and Regulations and in the Exhibitor Services Manual at any time and without prior notice. All changes, amendments and additions so made shall be binding on Exhibitor. Exhibitors will be advised of any such changes as reasonably deemed necessary by NAMM. Further, Exhibitor agrees that NAMM will have full power in any matter of interpretation, amendment and enforcement of all terms and conditions stated herein, Rules and Regulations, and in all instances NAMM's rulings will be final. In the Event of any conflict, inconsistency, or incongruity between any provision of this Contract and any provision of the Rules and Regulations or the Exhibitor Services Manual, the provisions of this Contract shall govern and control.

SEVERABILITY AND WAIVER: If any portion of this Contract becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable, void or invalid, then that portion will be considered severed from this Contract and all remaining portions will remain in full force and effect as long as the essential terms of this Agreement remain valid, legal and binding. No waiver of a breach, failure of any condition, or any right or remedy contained in or granted by the provisions of this Contract will be effective unless it is in writing and signed by the party waiving the breach, failure, right, or remedy. No waiver of any breach, failure, right, or remedy will be considered as a waiver of any other breach, failure, right, or remedy, whether or not similar, nor will any waiver constitute a continuing waiver unless be made in writing and signed by NAMM.

MISCELLANEOUS: This Contract shall not constitute nor be considered to create a partnership, employer-employee relationship, joint venture or agency between NAMM and Exhibitor. Paragraph headings have been inserted for convenience of reference only, and are in no way intended to describe, interpret, define, or limit the scope or intent of any part of this Contract. The headings to the various sections of this Contract are inserted only for convenience of reference and are not intended nor will they be construed to modify, define, limit or expand the intent of the parties as expressed in this Contract. All rights and privileges granted to Exhibitor under this Contract, the Rules and Regulations and any subsequent amendments are subject to and subordinate to the master leases between NAMM and the Exhibition Facility. Termination of this Agreement will not affect or modify those obligations of the Parties under this Agreement that by their terms are to survive the termination of this Agreement.

ENTIRE AGREEMENT: This Contract, the Event Rules and Regulations, the Exhibitor Services Manual and any amendments and schedules referred to herein constitute the complete and exclusive statement of the terms of the agreement between NAMM and Exhibitor pertaining to the Event and supersede any and all prior oral and written understandings, quotations, communications and agreements. This Contract may not be amended or modified except by a written instrument signed by NAMM.

EXHIBITOR'S ACCEPTANCE. Upon Exhibitor's execution of the Contract, Exhibitor acknowledges that it has read and understands the Terms and Conditions and the Rules and Regulations, and expressly agrees to accept such Terms and Conditions and Rules and Regulations, all of which are hereby incorporated by reference into and form essential terms and conditions of this Contract to the same extent as if set forth in full in the Contract. Further, the person signing this Contract on behalf of Exhibitor represents and warrants that he/she is competent and has the necessary power, consent, and authority to execute and deliver this Contract on behalf of Exhibitor.

PRIVACY CONSENT LANGUAGE FOR NAMM

COMMUNICATIONS: Whenever I provide email address(es) and fax number(s) to NAMM, above or otherwise, the business and I are consenting to receive NAMM communications by email and fax, including, but not limited to, trade show, hotel and registration notices and invoice reminders, as well as promotions of NAMM's various programs and services provided as benefits of Membership.

How should I connect my dynamic mic to my guitar pedal

I`m looking to record vocals through an echo guitar pedal.

Right now I just have an xlr cable, a dynamic mic, and a Firstudio mobile interface.

I`d like to do this..

Mic -----*** Echo Pedal ----- Interface..

How can I connect the mic into the pedal for it to sound good? I thought I would just buy 2 xlr-1/4 inch (one female xlr, one male xlr) jack converters and voila! But the music store dude gave me this talk about using an impedance adaptor that costs more than I`d like to pay. So how should i go about this?

It should be said that I don`t know how this pedal will sound on vocals and I`m just recording demos, nothing too crazy.

Any help is appreciated thanks!

G

ne it help you out.

Seriously though, the things cost like \$20 new, I wouldn't think an xlr to 1/4" cord without a transformer would be much less than that.

If you have a high impedance microphone, that would work without the adapter.

Your results will be lo fi. It's hard to say if you will like it or not. Unless I was going for a trashy sound, I wouldn't use a guitar pedal in this way.

MisterMark's Avatar

My Studio

Although not the most inexpensive option, the Synapse pedal by Revival Electric is absolutely the best way for vocalists wanting to integrate stomp boxes into their vocal chain, especially live. Proper impedance matching, variable mix control, ground lift and bypass switching make this a killer solution.

Gear Nut

Somebody else told me that since the xlr inputs in my FSM interface has 1/4 inch inputs in the middle of them, that I will not need this impedance adaptor. Is this true?

Lives for gear

You're confusing two issues:

First is to get the mic properly to the pedal. That's what the impedance matching XLR-TS adapter is for. I've had mixed results with these using my fender twin for vocals at small gigs. On one vocalist it sounded crap, on another it sounded great. Same mic otherwise, roughly the same channel settings. I'd chalk that up to the diff vocalists' characteristics interacting with the response of the amp.

[↑ TOP](#)[NEW PRODUCT ALERT](#)[CLASSIFIEDS](#)[REVIEWS](#)[DEAL ZONE](#)[COMPETITIONS](#)[EVENTS](#)[G](#)

Mic>XLR-TS w/ transformer > pedal > guitar cable > interface is the correct way to do it with your setup. (slightly more ideal would be mic>mic pre>reamp pedal>pedal>DI>mic pre>interface but that's more complicated than I think you want to get.)

Can you get 100% wet with your delay pedal? If yes - try recording your vocal correctly first, then send it out at unbalanced line level and record the vocal track thru the delay to a new track. The reasons are many:

You get a better dry vocal track - always go for best quality for vocals
Editing/tuning/comping is far easier on a dry track
Compression and dynamic control and noise removal is easier with a dry track.

Once you have cleaned up your dry track, you'll get a better delay track than if you try to do it first.

Another reason is you can combine digital delay with your analog delays - perhaps extend the time or time the repeats to the beat, or apply modulation that maybe wasn't available on the pedal ... you can also compress, eq or even tune or otherwise effect the delay separately from the dry track.

Lots of options this way - plus you solve your impedance an level issues, and likely get a better signal to noise ratio.

[1 Review written](#)

Even if you can't get 100% wet, you could still use this method after cleaning up your dry track and mix the delay to taste to a new track. At least you can try again if you don't get the balance right first time.

TRAVIS HARRIS and/or Mr. HARRIS (Cosigner) , (hereinafter referred to as Tenant), do hereby agree to rent from CHUNG NING SUN LEE (hereinafter referred to as Owner), the storefront commonly known as 1049 Bush Street, San Francisco, California, under the following conditions:

1) Term: The term hereof shall commence on November 15th, 2010 and shall continue until November 14th, 2011.

2) Usage: Storefront to be operated as a Musical Electronic Sales and Repair shop and only as such.

3) Rental: For the monthly fee as per the following schedule, payable on the first day of each month.

11/15/10 to 11/15/11 \$1150 per month

4) Late Charge: Tenant agrees to pay twenty dollars (\$20) as late charge if rent is not received by Owner on or before the fifth day of each month.

5) Deposit Against Security and Damage: Tenant shall pay a \$2500 Deposit against security and damage. Tenant shall not have the right to apply this Deposit in payment of the last month's rent. Owner may apply the Deposit, or a portion thereof, only to obligations unfulfilled by Tenant under this Lease. Within 45 days from the termination of this Lease and the delivery of possession of the premises to Owner, Owner shall deliver the balance of all deposits to Tenant, together with a statement showing any charges made against such deposits.

6) Indemnification: Tenant shall hold Owner harmless from all claims of loss or damage to property, and of injury or death to persons caused by Tenant on or about the Premises, during the term of the lease.

7) Assignment and Sublease: Tenant will not sublease or assign all or part of the lease without prior written approval of Owner. Approval will not be unreasonably withheld.

8) Improvements and Alternations: Tenants shall not undertake any improvements or alternations on the premises without the expressed written consent of the Owner. All improvements and alternations to the premises by the Tenants shall become the property of the Owner upon vacating of the premises by the Tenant.

9) Maintenance: Tenant shall be responsible for all ordinary repairs necessary for the maintenance of the premises during the term of this lease. Owner shall be responsible for making any repairs and replacement to facilities outside of the premise that serves or affects the vital needs of the premise, and Tenant shall be responsible for notifying Owner of any such necessary repairs or replacements.

Page 1 of 3

[] [] []
 TH H HL

10) Damages: If the premises are so damaged by catastrophe not intended by either party, as to render the premises impractical for its intended business purpose, then either party shall have the right to terminate this lease as of the date on which such damage occurs, through written notice to the other party, to be given within fifteen (15) days after notification of such damages.

liability 11) Insurance: Tenant shall maintain adequate insurance coverage, including but not limited to insurance and insurance for the plate glass windows of the store.

12) Utilities: Tenant shall pay all utility costs including, but not limited to garbage disposal, electricity, gas and telephone costs. Owner shall supply water at no charge to Tenant

13) Removal: Tenant will return building to Owner in original condition existing at the start of the lease, excepting normal wear and tear.

14) Ordinances and Statutes: Tenant shall comply with all statutes, ordinances and requirements of all municipal, state and federal authorities now in force, which may hereafter be in force, pertaining to the use of the premises.

15) Entry and Inspection: Tenant shall permit Owner or Owner's agent to enter the premises at reasonable times and upon reasonable notice for the purpose of making necessary or convenient repairs or to show the premises to prospective tenants, purchasers, or mortgagees.

16) Possession: If Owner is unable to deliver possession of the premises at the commencement hereof, Owner shall not be liable for any damages caused hereby, nor shall this agreement be null and violable, but Tenant shall not be liable for any rent until possession is deliverable.

17) Default: If Tenant shall fail to pay rent when due, or perform any term hereof, after not less than seven (7) days written notice of such default given in the manner required by law, the Owner, at his option, may terminate all rights of Tenant hereunder, unless Tenant, within said time, shall cure such default. If Tenant abandons or vacates the property, while in default of the payment of rent, Owner may consider any property left on the premises to be abandoned and may dispose of the same in any manner allowed by law. In the event the Owner reasonably believes that such abandoned property has no value, it may be discarded. All property on the premises hereby subject to a lien in favor of Owner for the payment of all sum due hereunder, to the maximum extent allowed by law.

In the event of a default by Tenant, Owner may elect to (a) continue the lease in effect and enforce all his rights and remedies hereunder, including the right to recover the rent as it becomes due, or (b) at any time, terminate all of Tenant's rights hereunder and recover from Tenant all damages he may incur by reason of the breach of the lease, including the cost of recovering the premises, and including the worth at the time of such termination, or at the time of an award if suit be instituted to enforce the provision, of the amount by which the unpaid rent for the balance of the term exceeds the amount of such rental loss which the Tenant proves could be reasonably avoided.

Page 2 of 3

[] [] []
AD SLD HL

18) Waiver: No failure of Owner to enforce any term hereof shall be deemed a waiver, nor shall any acceptance of a partial payment of rent be deemed a waiver of Owner's right to the full amount thereof.

19) Notices: Any notice which Owner may or is required to give, may be given by mailing the same, postage paid, to Tenant at the premises.

20) As Is: Tenant accepts store in as is condition and Owner is not liable for the cost of labor or material used in the preparation of the premises by the Tenant, except for improvements listed on Addendum 'A' to be completed by Owner.

21) Holding Over: Any holding over after the expiration hereof, with the consent of Owner, shall be construed as a month-to-month tenancy in accordance with the term hereof, as applicable, until either party shall terminate the same by giving the other party 60 days written notice delivered by certified mail.

22) Nuisance: The Tenant will exercise consideration and restraint as to noise originating from inside the store related to the conduct of his business, so as to not cause a nuisance or disturbance to his neighbors.

By signing below, the Merchant named: (1) certifies to Sage Payment Solutions that he/she is authorized to sign this Agreement; (2) certifies that all information and documents submitted in connection with this Application are true and complete; (3) authorizes Bank or its agent to verify any of the information given, including credit references, and to obtain credit reports (including a spouse if in a community property state); (4) has read, agreed to, and acknowledges receipt of the terms and conditions of the Merchant Processing Agreement, attached hereto and incorporated herein by reference. The terms and conditions and this Application constitute the entire integrated Merchant Processing Agreement by and between Merchant, Sage Payment Solutions and Bank; (5) agrees that Merchant and each transaction submitted to Bank will be bound by the Agreement in its entirety; and (6) agrees that Merchant will submit transactions to Bank only in accordance with the information in this Application and will immediately inform Sage Payment Solutions, in writing at the address above if any information in this Application changes. The Agreement will become effective only when signed by Bank and indicated by appropriate mark in one of the check boxes located at the top of the first page of this document.

In consideration of Bank and Sage Payment Solutions' acceptance of the Agreement the undersigned Guarantor (jointly and severally if more than one) unconditionally guarantees the performance of all obligations of Merchant to Bank and Sage Payment Solutions under the Agreement, and payment of all sums due thereunder, and in the event of default, hereby waives notice of default and agrees to indemnify Bank and Sage Payment Solutions for all funds due from Merchant pursuant to the terms of the Agreement. This is a guaranty of payment and performance and not of collection, and in no case will Sage Payment Solutions be required to attempt collection from Company or pursue any other remedy or action before collection from Guarantor. Guarantor waives any and all rights of subrogation, reimbursement or indemnity derived from Merchant and all other rights and defenses available to Guarantor under applicable law, including California Civil Code Sections 2787 to 2856, inclusive (or any similar surety ship laws), and further waives any and all rights, defenses or notices arising by reason of any modification or change in the terms of the Agreement whatsoever, including, without limitation, the renewal, extension, acceleration, or other change in the time any payment or other performance thereunder is due, and / or any change in any interest or discount rate or fee thereunder. Guarantor confirms that Guarantor, collectively or individually, is an officer or shareholder to the Merchant and party to the Agreement, and unconditionally and specifically authorizes Bank, or its authorized agent, to debit any overdue fees, costs, chargebacks, fines, penalties, expenses or obligations under the Agreement and / or any contractual relationship with Bank or Sage Payment Solutions from any personal checking account or other account owned or controlled by Guarantor, and further to report any default hereunder on Guarantor's personal Credit Bureau Report. Guarantor agrees to pay all costs and expenses of whatever nature, including attorneys' fees and other legal expenses, incurred by or on behalf of Bank or Sage Payment Solutions in connection with the enforcement of this Guaranty. Guarantor further acknowledges that, as used in this paragraph, "Bank" means the banking institution indicated by appropriate mark in one of the check boxes located at the top of the first page of this document.

TAG ARCHIVES: SYNAPSE

[REVIVAL ELECTRIC SYNAPSE GETS YOUR MIC THROUGH YOUR PEDALS THE
RIGHT WAY](#)

If you need the best way to get your mic through your pedals, or any other unbalanced effects, Revival Electric's Synapse is the way to go. Hand-built in the heart of San Francisco, The Synapse retains original signal integrity and gives you maximum quality through the entire path.

The Synapse features a Dynamic Mic Preamp, Active balanced XLR in and out, a 1/4" unbalanced send/return loop and controls to mix wet and dry, boost and the facility to control all of it with an expression pedal. Extremely low noise (< -100dBV Awtg) and a ground lift switch complete the package and give you a pro solution to integrate your vocal chain and existing pedals. Come in today for a demo, [or order online here](#).

Here's the Synapse in action with Death Cab For Cutie, who use one to bring the vocal effects sounds of Codes and Keys to their live set

This entry was posted in [Pedals/effects](#), [recording](#) and tagged [revival](#), [synapse](#), [pedals](#) on June 1, 2014 by Main Drag.

Board 1 has Pike's must-haves on it. Everything is anchored around his EarthQuaker Warden Optical Compressor that's *always* on and helps squish the notes into a sustaining wall of sound. (You'd think with the buzzing in the video, he'd use a noise gate, but as you'll see, there's none on his board.) Other key stomps are the Revival Electric Metric 3-Band EQ, Black Arts Rabid Mammal (Pike's signature pedal), KHDK Paranormal (Slayer/Exodus Gary Holt's signature pedal), Lone Wolf Audio Twin Snake, Daredevil Pedals Atomic Cock V2, MXR Phase 90, MXR Carbon Copy, Keeley 30ms. EQD Spatial Delivery, MXR Carbon Copy Deluxe, and Third Man + Mantic Flex. A Peterson Stomp Classic StrobeStomp keeps everything in tune.

The daily periodic rate and the ANNUAL PERCENTAGE RATE used to compute the FINANCE CHARGE for each open-end loan is printed above the transaction relating to the loan. The FINANCE CHARGE for an open-end loan is computed by applying the periodic rate to each unpaid balance for the exact number of days each balance was outstanding. The balance used to compute the FINANCE CHARGE is that balance each day after credits are subtracted and new advances or other charges are added.

MLCC Shortage: How to overcome the crisis?

After starting in the first quarter of 2017, the difficulties in obtaining ceramic capacitors are getting worse. Experts believe the crisis will extend to 2020. You can act on several levels to counter the shortage: improve customer-supplier relations, adopt virtuous behaviour and, above all, seriously consider moving to other technology.

Of previously unknown intensity since 2000, the current shortage of components especially impacts power components, memory, sensors and ceramic capacitors (MLCC). Subcontractors suffer all the more from the shortage as it comes at a time when orders are coming in.

Updated on 10/10/19

What caused this electronic component shortage?

The especially critical situation for MLCCs (Multi-Layer Ceramic Capacitors)

October 2019: the component shortage situation has hardly improved

Hello. How may I help you?

What caused this electronic component shortage?

At a macro level, the sudden and unforeseen growth in the global component market (+ 20%) caused an imbalance between supply and demand. The automotive industry and smartphones seem to be the main sectors at the origin of the increase in demand. But that's not the end of the story: we're seeing a strong increase in new applications for which the quantity of materials and the electronic parts built into them is not well identified: the internet of things, connected vehicles, drones, wind farms, the Smart Grid, etc.

In fact, every link in the supply chain also has its share of responsibility: some component manufacturers have multiplied obsolescence notices, and some customers issue double orders and over-stock.

Why didn't we see it coming? Opportunistic purchasing behaviour is partly a result of a lack of reliable sufficiently long term forecasts by electronic equipment manufacturers. On the other side, traditional subcontracting customers provide ever decreasing purchase forecasts, while public order-givers provide none at all.

Why is there an electronic components shortage ?

1. Increase in the number of capacitors in smartphones

iPhone 8 & X1000 - 1100 MLCCs

iPhone 7890 MLCCs

iPhone 6785 MLCCs

2. Automotive industry development since 2017

Autonomous cars + 3,6 %

Connected cars + 7,1 %

Electric cars + 20,5 %

3. Components miniaturization

To learn more about the electronic components shortage

www.proto-electronics.com

Source : TTI, Market Update February 2019

Illustration : Proto-Electronics.com

The especially critical situation for MLCCs (Multi-Layer Ceramic Capacitors)

The general context is amplified when we look at the specific case of ceramic capacitors:

- An electric vehicle has four times more ceramic capacitors than an internal combustion engine vehicle, and the inclusion of true digital tablets in all new vehicles does nothing to help;
- The iPhone X has twice as many MLCCs as the iPhone 6S, and the expansion of Chinese smartphone manufacturers has increased demand even more.

Analysts are blaming the shortage of ceramic capacitors on 3 main causes:

- The general increase in the demand for components;
- The conversion of Japanese manufacturer production to products expected by the automotive, industry and smartphone markets, which generate better margins, to the detriment of the general market;
- The difficulty in quickly increasing production capacity to meet demand: delivery lead times for equipment needed to manufacture MLCCs are from 8 to 12 months.

How to manage this severe ceramic capacitor shortage

As OEMs, the decisions you make today will be decisive in the survival of your business. For many years to reach your production targets if you don't seriously deal with the situation evolution!

Here are a few tips:

- Don't artificially boost your orders;

Hello. How may I help you?

- A new generation of passive components provides alternatives to ceramic capacitors; you will find MLCC equivalents and, when applicable, can adapt your designs accordingly;
- Take into account your suppliers' technological and production road maps;
- Diversify your sources: find new suppliers other than those you have already referenced;
- Flee components that depend on a single supply source;
- To keep good visibility, improve collaboration between designers, buyers and the supply chain. Good Customer-Supplier relations based on mutual understanding, communication at all levels and a certain degree of transparency can prevent many issues. The creation of solid partnerships will contribute to better securing future supplies.

October 2019: the component shortage situation has hardly improved.

Even though the electronics market is still showing stable growth (+2 to 3% / year), the industry is still facing successive waves of component shortages, resulting in significant price increases and much longer lead times.

We all experienced the biggest electronics component crisis since the turn of the century, with suppliers unable to meet demand exceeding stock levels. This generated record profits for component manufacturers, increases in their prices/sales, and new product proposals to remain competitive.

The current market is still very limited, especially for passive components such as MLCC capacitors, resistors, transistors, diodes and even memory. Most suppliers estimate abnormally long supply lead times, from 6 to 12 months at best!

The automotive industry, for example, has a major impact on the component market: Considering that a basic internal combustion engine for a car requires almost 3000 MLCCs, and for electric cars that are becoming increasingly popular the numbers can reach 12000 MLCCs, a figure that will carry on rising! The automotive industry is therefore a major priority for passive component suppliers.

The constantly moving Smartphone industry is also impacted. New, more advanced models are proposed every year, requiring more passive components and memory to meet the demands of ever more advanced technology.

Here, miniaturisation strategies have their full impact in order to be able to use smaller components and add new features.

There has been an improvement in the supply of certain references, but to the detriment of many others which have been halted to be able to produce smaller, more expensive new components. The transition towards new, more recent components seems inevitable if component stocks are to be properly anticipated.

The main difficulty for industries such as the healthcare or aviation industry remains the long-term supply of certain components that are not only needed to maintain product life cycle, but also to maintain the associated service contracts. It is therefore imperative that the absolutely vital electronic components impacted by this shortage be easy to provide.

This need can lead to emergency orders to distributors without considering dealing with obsolescence or unstable market fluctuations.

All companies in all sectors of activity are now considering creating long-term storage capacity and extending the logistics chain with specialised long-term storage partners who manage and stock on behalf of their customers. We should nevertheless be wary of current designs that often require components that need complex storage processes (semi-conductors, for example, are vulnerable to environmental factors and need to be stored in a suitable environment).

Another consequence of the shortage: Counterfeits. Remember that these are not declared and that the specific counterfeit market now weighs 75 billion dollars (the United States government seized over 124 billion counterfeit components in 2016).

New designs are therefore encouraged, as well as stringent checks on equipment arriving at factories. The industry billions and need to be eliminated through better material detection & traceability.

To sum up: a few alternatives to best mitigate the shortage:

- Supply-chain structuring: firstly to absorb supply chain tensions, then to measure a s resulting from size changes.
- Permanently upgrading product design by adapting to component supplier technology.
- Multiplying the number of suppliers to find new alternatives.
- Communicating as well as possible and having a better visibility of general organisation between product design, mate and the logistics chain.

How Proto-Electronics is dealing with the crisis

Our engineers have developed a new feature to deal with the global shortage by helping you when passive components are out of stock.

Feel free to test our solution, and if you have any questions, you can contact our customer department as usual from Monday to Friday and from 8:30 am to 7 pm by email, phone +44 1202 006012 or live chat.

Hi [REDACTED]

Thats too bad, but I can definitely fix it up for you.

I will be around tomorrow afternoon, I have a couple of appointments, but anytime after 6-6:30 would work fine if you would like to drop the pedal off around then. If tomorrow wont work, I will be around in the evenings everyday this week.

Hope all is well, and thanks for the positive review on Yelp!.

Just let me know what works for you, thanks again!

Hey Travis,

I hope your August is going great.

I wanted to reach out again and find a time to drop off my Synapse with ya this week. I'm arriving to SFO this Thursday afternoon around 1pm. I'll be driving by Oakland in the afternoon and plan to stop there for a late lunch. Will you be around and I could drop it off with ya then?

Let me know what works best for you.

Thanks again,

[REDACTED]

Sent from my Phone

On Ju 17, 2019, at 9:19 AM [REDACTED]

Hey there. [REDACTED]

Thanks again for coming to my band's show earlier this year at the Boom Boom Room!

I've been touring a lot this year and my Synapse is taking a beating. The power input has come loose in the box and often cuts out these days. I'm using gaff tape on gigs to keep it in a consistent place. I'm curious if that's something you could repair? If so, could I drop it off to you to check it out? I'm going to be visiting the Bay Area August 15-19 and could give it to you then. Let me know if that's a possibility.

Thanks so much!

Cheers,

Revival Electric

re repair

Due to the upcoming release of an effects processor line, all repair/service work will be taken on a limited basis. Please Email with inquires regarding turnaround/availability.

Thank you friends for all your support!

I take a methodical approach to each repair to accurately diagnose the fault in the circuit, ensuring a correct, precise fix to the problem.

I will provide an estimate and discuss it with you before performing any work; after duplicating & identifying the fault.

Please contact me about pricing and appointments, my shop is centrally located in SF.

Also, feel free to contact me with any and all questions regarding your gear, thanks!
